- ✓ Supplied as a single pack with one cartridge, suitable for scheduled replacements.
- ✓ Optimised for PageWide printers and monochrome document workflows.
- ✓ Branded packaging for easy identification and inventory handling.

Product description

Why choose this ink cartridge?

Gilford Ink Black Dh-973Xlbk 10K - For Pagewide delivers pigment-based black ink with a 10,000-page yield to lower running costs and reduce interruptions in busy print environments. It produces consistent, fade-resistant text for invoices and reports, and installs quickly so your PageWide printers stay productive with minimal handling.

Ink Black Dh-973Xlbk 10K - For Pagewide in short:

- High (XL) capacity offering around 10,000 pages for longer service between cartridge changes.
- Pigment-based black ink for sharp, durable text that remains legible over time.
- Supplied as a single pack with one cartridge, suitable for scheduled replacements.
- Optimised for PageWide printers and monochrome document workflows.
- Branded packaging for easy identification and inventory handling.

Product details

This Gilford cartridge is designed for PageWide printing environments and for sustained monochrome output. The pigment-based formula produces crisp black text that resists fading, keeping invoices, forms, and reports readable for longer. With its high yield and single-pack supply, the cartridge reduces the frequency of replacements and is straightforward to install, helping you maintain consistent printer uptime.
