Product description

Why choose this toner?

Gilford Toner Yellow 304A 2.8K - cm2320 - Cc532A is a compatible yellow toner that delivers consistent, cost-effective colour output for everyday office printing. It produces clear yellow tones and supports small to medium print volumes, helping you lower operating costs while keeping supply management simple with a single-pack cartridge.

Toner Yellow 304A 2.8K - cm2320 - Cc532A in short:

- Compatible yellow toner suited to routine colour documents and marketing materials.
- Approximate yield of 2800 pages, good for small to medium print volumes.
- Supplied as a single pack, one cartridge per box for straightforward stock control.
- Packaged under the Gilford brand with clear labelling for easy identification.
- Verify printer compatibility with the CC532A format or CM2320 series before purchase.

Toner Yellow 304A 2.8K - cm2320 - Cc532A

This cartridge provides reliable yellow coverage for documents and graphics, with an estimated 2800-page yield that aligns with typical office workflows. The compatible design offers a practical, lower-cost alternative to OEM consumables while remaining easy to install and replace. Keep a spare on hand to avoid interruptions, and confirm your printer model matches the CC532A/CM2320 designation before ordering.
