

# Cabledrop Mini Black/White 2-Pack

Data sheet

## Summary

- ✓ Two compact holders, supplied in black and white, for flexible placement on desks or walls.
- ✓ Single-slot, low-profile design keeps one cable accessible and prevents tangling.
- ✓ Suited for small cables such as charging leads, USB cables and headphone wires.
- ✓ Helps maintain a neater workspace near monitors, docking stations and meeting-room equipment.
- ✓ Consideration: check surface compatibility before placement to ensure secure positioning.

# Product description

## Why choose this cable holder?

Prokord Cabledrop Mini Black/White 2-Pack helps keep single cables organised on desks and walls, reducing clutter and making devices easier to access in everyday workspaces. It provides a simple way to keep charging and audio leads tidy, which can save time and reduce wear on connectors.

## Cabledrop Mini Black/White 2-Pack in short:

- Two compact holders, supplied in black and white, for flexible placement on desks or walls.
- Single-slot, low-profile design keeps one cable accessible and prevents tangling.
- Suited for small cables such as charging leads, USB cables and headphone wires.
- Helps maintain a neater workspace near monitors, docking stations and meeting-room equipment.
- Consideration: check surface compatibility before placement to ensure secure positioning.

## Practical use

Place each holder where you regularly need a cable endpoint. The compact shape keeps cables visible and easy to grab while limiting movement across the desk. The neutral colours fit mixed office environments and IT setups, making these holders a practical, unobtrusive accessory for everyday cable management.
