Product description

Why choose this toner cartridge?

Gilford Toner Cyan 5K - C500 - 44469724 is a compatible cyan toner cartridge that delivers consistent, vibrant color for everyday office printing. With a yield of up to 5000 pages and sold as a single pack, it balances quality and cost-effectiveness. The cartridge helps reduce downtime and keeps routine color jobs reliable.

Gilford Toner Cyan 5K - C500 - 44469724 in short:

- Compatible cyan toner cartridge for routine color printing and graphics.
- Up to 5000-page yield, suitable for moderate monthly printing volumes.
- Single pack, 1 cartridge per box for straightforward replacement and stock control.
- Easy-grip blue handle and protective packaging for quick, low-downtime swaps.
- Check printer compatibility before purchase if your device requires OEM-specific supplies.

How this toner performs

Gilford Toner Cyan 5K - C500 - 44469724 installs quickly and provides steady color output across standard documents, reports, brochures, and charts. The compatible design helps lower running costs while maintaining predictable results for daily use. The single-pack format keeps inventory simple, making this cartridge a practical choice for offices with moderate color demand rather than very high-volume environments.
