

Toner Yellow 2.9K Pages Type 718 - Mf8330 - 2659B002

Data sheet

Summary

- ✓ Compatible replacement for printers that use Type 718, including MF8330-series models.
- ✓ Yellow toner designed for consistent colour across documents and graphics.
- ✓ Approximate page yield of 2,900 pages, suitable for regular office print runs.
- ✓ Supplied as a single pack, one cartridge per box.
- ✓ Consideration: this is a compatible cartridge rather than a manufacturer-branded original.

Product description

Why choose this toner cartridge?

Gilford Toner Yellow 2.9K Pages Type 718 - Mf8330 - 2659B002. This compatible yellow toner cartridge gives you consistent colour output and straightforward installation, helping maintain print uptime while lowering supply costs. It suits medium-volume colour printing where reliable results and predictable page yield matter.

Toner Yellow 2.9K Pages Type 718 - Mf8330 - 2659B002 in short:

- Compatible replacement for printers that use Type 718, including MF8330-series models.
- Yellow toner designed for consistent colour across documents and graphics.
- Approximate page yield of 2,900 pages, suitable for regular office print runs.
- Supplied as a single pack, one cartridge per box.
- Consideration: this is a compatible cartridge rather than a manufacturer-branded original.

Product details

The cartridge installs like a standard toner module and is intended to restore yellow printing quickly. With an estimated 2,900-page yield you can plan supplies by expected print volume. The single-pack packaging keeps inventory simple and reduces the need for bulk storage. Use this cartridge when you need an economical, ready-to-fit yellow toner for routine colour printing tasks.
