Product description

Why choose this toner cartridge?

Toner Magenta 205A 0.9K - LJ M180/M181 Cf533A Gilford is a compatible magenta cartridge that delivers consistent colour for everyday documents and marketing prints. It offers a predictable 900-page yield and simple installation, helping to reduce supply costs and maintain uptime for small offices and shared workstations.

Toner Magenta 205A 0.9K - LJ M180/M181 Cf533A in short:

- Compatible replacement magenta cartridge for HP Color LaserJet Pro MFP M180n and M181fw.
- Approximately 900 pages per cartridge, suitable for routine colour documents and short-run graphics.
- Supplied as a single pack, one cartridge per box for easy stock management.
- Gilford compatible option aimed at lowering consumable costs while providing steady print results.
- Check printer firmware and settings for compatibility with third-party cartridges before purchase.

Product details

This Gilford toner cartridge fits the specified HP Color LaserJet Pro models and installs like a standard magenta cartridge. The cartridge ships in protective Gilford packaging to prevent damage in transit and includes a removable protective strip to keep toner secure until installation. It is intended for everyday office use where predictable yield and lower supply cost matter more than brand-original status.
