Product description

Why choose this ink cartridge?

Gilford Ink Yellow Pfi-107Y - 6708B001 delivers consistent yellow output and straightforward, single-pack usability. It maintains vivid colour for charts, labels, and graphics while offering a predictable page yield. The cartridge supports routine office and print tasks with easy installation and dependable colour reproduction, so you can keep workflows moving with minimal intervention.

Gilford Ink Yellow Pfi-107Y - 6708B001 in short:

- Consistent yellow colour ideal for graphics, highlights, and marketing prints
- Approximately 130 pages yield, suitable for moderate daily use
- Single-pack supply, one cartridge per box for simple restocking
- Compatible with Canon imagePROGRAF iPF670, iPF680, iPF685, iPF770, iPF780, and iPF785
- Easy to install, designed for reliable everyday performance

Product details

Gilford Ink Yellow Pfi-107Y - 6708B001 supplies clear yellow tones for proofs, posters, and colour documents. The approximate 130-page yield helps you plan routine replacements and avoid frequent interruptions. Packaged as a single cartridge, it simplifies inventory handling for IT teams and office managers. Installation is straightforward, making it convenient for print shops and offices that require consistent colour without extra setup.
