- ✓ Suited for conference rooms, presentations, and home office video connections.
- ✓ Note: only converts DisplayPort to HDMI and is not suitable for converting HDMI sources to DisplayPort.

Product description

Why choose this video adapter?

Prokord Video Adapter Premium DP-HDMI converts DisplayPort output to HDMI with a compact, plug-and-play design. It lets you link DisplayPort-equipped computers to HDMI monitors, projectors, and TVs quickly, reducing setup time and compatibility issues. The black and grey finish fits modern workspaces and keeps installations tidy while providing stable signal transmission for everyday meetings and presentations.

Prokord Video Adapter Premium DP-HDMI in short:

- Converts DisplayPort output to HDMI displays, ideal for connecting laptops and desktops to monitors, TVs, and projectors.
- Male DisplayPort to female HDMI with straight connectors, plug-and-play for fast setups.
- Compact cable with black and grey finish, easy to carry and tidy in racks or on desks.
- Suited for conference rooms, presentations, and home office video connections.
- Note: only converts DisplayPort to HDMI and is not suitable for converting HDMI sources to DisplayPort.

Main functions

The adapter has a male DisplayPort plug and a female HDMI socket on a short cable, so you can send video from a DisplayPort source to an HDMI display without drivers. It comes as a single unit and provides a straightforward, low-cost way to resolve interface mismatches in meeting rooms and personal workspaces.
