

Video Adapter Premium DVI-HDMI DVI-D HDMI Black,

Data sheet

Summary

- ✓ Converts a DVI-D male output to an HDMI female input, ideal for linking older graphics sources to newer displays.
- ✓ Straight connectors and a short cable make it easy to fit in compact racks and crowded workspaces.
- ✓ Neutral black and grey design blends into office and conference-room installations.
- ✓ Suited for IT technicians, meeting rooms, and office setups requiring dependable video only connections.
- ✓ Consideration: carries video only, so it does not transmit audio and is not for analog DVI signals.

Product description

Why choose this video adapter?

Prokord Video Adapter Premium DVI-HDMI gives a simple, reliable way to connect DVI-D outputs to HDMI displays. It helps you reuse existing hardware with modern monitors and TVs, reduces cable clutter, and fits professional AV setups with a compact, neutral black and grey finish. The straightforward design supports stable video transmission for presentations and day-to-day display needs.

Prokord Video Adapter Premium DVI-HDMI in short:

- Converts a DVI-D male output to an HDMI female input, ideal for linking older graphics sources to newer displays.
- Straight connectors and a short cable make it easy to fit in compact racks and crowded workspaces.
- Neutral black and grey design blends into office and conference-room installations.
- Suited for IT technicians, meeting rooms, and office setups requiring dependable video only connections.
- Consideration: carries video only, so it does not transmit audio and is not for analog DVI signals.

Product details

The Prokord Video Adapter Premium DVI-HDMI converts digital video from a DVI-D port to an HDMI display with minimal setup. Use it to connect legacy PCs or graphics cards to modern monitors and projectors without replacing cables or devices. The adapter’s robust housings and straight connector forms make insertion and removal straightforward, and the compact design keeps installations tidy. Remember this adapter transfers video only, so pair it with a separate audio solution when needed.
