

Prokord U/FTP-0001

Data sheet

Core Specs

Connector 1	RJ-45
Connector 2	RJ-45
Cable standard	Cat 6A
Cable shielding	U/FTP
Cable length	0.3 m
Jacket material	LSZH

Summary

- ✓ U/FTP shielded Cat6A, 10Gbps at 500MHz for consistent bandwidth
- ✓ RJ45 male to male 0.3m cable for tidy short runs between devices
- ✓ LSZH jacket limits smoke, improving safety in confined spaces
- ✓ Supports PoE, with copper conductors to power connected devices

Product description

Why choose this network cable?

Prokord TP-Cable U/FTP CAT.6A Slim Lszh RJ45 0.3m White delivers a compact, shielded patch cable for short, high-speed links. The slim profile and LSZH jacket make it simple to route in dense racks and tight spaces. Its shielding and copper conductors help maintain signal integrity for 10 Gbit/s and PoE connections, reducing interference in busy network environments.

Prokord TP-Cable U/FTP CAT.6A Slim Lszh RJ45 0.3m White in short:

- Slim, shielded Cat6A patch cable for short runs, ideal for switch-to-server or patch panel connections in crowded racks.
- Supports 10 Gbit/s at up to 500 MHz, suitable for high-throughput links and PoE-powered devices.
- U/FTP shielding and copper conductors reduce crosstalk and improve signal stability in electrically noisy environments.
- Low smoke zero halogen jacket improves safety in confined spaces and meets common cabling requirements.
- 0.3 m length keeps installations tidy, consider longer lengths if you need more reach.

Product details

This Prokord cable features RJ-45 male connectors at both ends for straightforward patching between equipment. The slim, flexible construction with fine AWG 32 copper conductors makes it easy to route behind racks and panels without adding bulk. U/FTP shielding helps protect the link from external interference, and the LSZH jacket limits smoke and hazardous gases in case of fire. Use it for short, high-speed connections where neat cabling and PoE support are required.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	0.3 m
Cable standard	Cat 6A
Cable shielding	U/FTP
Connector 1	RJ-45
Connector 1 gender	Male
Connector 2	RJ-45
Connector 2 gender	Male
Product colour	White

Jacket material	LSZH
Conductor material	Copper
Data transfer rate	10000 Mbit/s
AWG wire size	32
Frequency	500 MHz
Power over Ethernet (PoE)	Yes

Packaging data

Quantity per pack	1 pc(s)
-------------------	---------

Logistics data

Harmonized System (HS) code	84733080
