

Prokord U/FTP-0020

Data sheet

Core Specs

Connector 1	RJ-45
Connector 2	RJ-45
Cable standard	Cat 6A
Cable shielding	U/FTP
Cable length	0.5 m
Jacket material	LSZH

Summary

- ✓ Cat 6A U/FTP shielding delivers 10 Gbps for high bandwidth links
- ✓ 500 MHz rating reduces interference, improving signal integrity
- ✓ PoE compatible, powers cameras and access points over one cable
- ✓ LSZH jacket limits toxic smoke, safer for offices and comms rooms
- ✓ 0.5m length, green color and snagless RJ45 boots keep patching tidy

Product description

Why choose this network cable?

Prokord TP-Cable U/FTP CAT.6A Slim Lszh RJ45 0.5m Green is a short, shielded Cat6A patch cable designed for reliable 10 Gbit/s links in dense rack and patch panel setups. It combines U/FTP shielding and a slim LSZH jacket to reduce interference and improve safety in enclosed spaces, while the compact length simplifies cable routing between adjacent ports.

Prokord TP-Cable U/FTP CAT.6A Slim Lszh RJ45 0.5m Green in short:

- Shielded U/FTP design with metal-shielded RJ45 connectors, for lower crosstalk and stable performance in crowded cable environments.
- Supports up to 10 000 Mbit/s and 500 MHz, suitable for 10GBase-T and high-bandwidth short links.
- LSZH jacket and slim profile, useful where low smoke and compact routing are required.
- Snagless boots and 32 AWG copper conductors make installation easier and reduce connector damage.
- Note: the 0.5 m length is ideal for patching between closely spaced ports; check required reach before purchase.

Product details

This slim Cat6A patch cable is built for short connections in racks, switches, and patch panels. Copper conductors and U/FTP shielding help maintain signal integrity for high-speed Ethernet and PoE applications. The low smoke zero halogen jacket increases safety in confined or public areas, and the green colour makes port identification simpler. The cable is supplied as a single unit with male RJ45 connectors on both ends.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	0.5 m
Cable standard	Cat 6A
Cable shielding	U/FTP
Connector 1	RJ-45
Connector 1 gender	Male
Connector 2	RJ-45
Connector 2 gender	Male
Product colour	Green

Jacket material	LSZH
Conductor material	Copper
Data transfer rate	10000 Mbit/s
AWG wire size	32
Frequency	500 MHz
Snagless cable boot	Yes
Power over Ethernet (PoE)	Yes

Packaging data

Quantity per pack	1 pc(s)
-------------------	---------

Logistics data

Harmonized System (HS) code	84733080
