

Ergonomic Mouse Pad with Wrist Support – Office Use 10-pack

Data sheet

Summary

- ✓ Pack of ten, suitable for equipping offices, training rooms, or service desks.
- ✓ Fabric surface gives a comfortable feel and reliable mouse tracking.
- ✓ Built-in wrist cushion reduces strain during long sessions and supports natural hand alignment.
- ✓ Non-slip rubber base keeps the pad securely in place on desks.
- ✓ Compact 230 x 250 x 3 mm low-profile design in black with blue accents, consider a higher-elevation rest if you need more lift.

Product description

Why choose this mouse pad?

Ergonomic Mouse Pad with Wrist Support – Office Use 10-pack Voxicon helps reduce wrist strain during prolonged mouse work, while providing consistent tracking for optical sensors. The ten-pack supports team deployments and saves procurement time. Durable fabric surface and a non-slip rubber base keep the pad stable and comfortable for everyday office use.

Ergonomic Mouse Pad with Wrist Support – Office Use 10-pack in short:

- Pack of ten, suitable for equipping offices, training rooms, or service desks.
- Fabric surface gives a comfortable feel and reliable mouse tracking.
- Built-in wrist cushion reduces strain during long sessions and supports natural hand alignment.
- Non-slip rubber base keeps the pad securely in place on desks.
- Compact 230 x 250 x 3 mm low-profile design in black with blue accents, consider a higher-elevation rest if you need more lift.

Product details

Each pad combines a soft fabric surface with a rubber non-slip base for steady, precise tracking. The cushioned wrist support eases pressure on the wrist and helps keep your hand aligned during extended use. The low-profile size fits crowded desks and the 10-pack makes it easy to outfit teams or keep spares available.
