

TP-Cable UTP CAT.6 Unshielded Lszh RJ45 2m Grey-10RJ-45 Cat 6 2m Grey

Data sheet

Summary

- ✓ Cat 6 performance for reliable gigabit connections between switches, patch panels, and workstations.
- ✓ LSZH jacket reduces smoke and toxic gases in case of fire, suitable for indoor and populated environments.
- ✓ 2 m length for tidy short-range patching and desk-to-switch runs.
- ✓ Male-to-male RJ45 connectors for plug-and-play compatibility with standard networking gear.
- ✓ Supplied as a pack of 10, ideal for outfitting racks or multiple workstations; not suited for outdoor use or high-EMI environments.

Product description

Why choose this network cable?

Prokord TP-Cable UTP CAT.6 Unshielded Lszh RJ45 2m Grey-10 provides dependable Cat 6 performance for short-range Ethernet links. It pairs unshielded U/UTP construction with a low smoke zero halogen jacket to improve safety in enclosed spaces. The 2 m length and male-to-male RJ45 connectors make it quick to install, and the 10-piece pack suits multi-point deployments.

Prokord TP-Cable UTP CAT.6 Unshielded Lszh RJ45 2m Grey-10 in short:

- Cat 6 performance for reliable gigabit connections between switches, patch panels, and workstations.
- LSZH jacket reduces smoke and toxic gases in case of fire, suitable for indoor and populated environments.
- 2 m length for tidy short-range patching and desk-to-switch runs.
- Male-to-male RJ45 connectors for plug-and-play compatibility with standard networking gear.
- Supplied as a pack of 10, ideal for outfitting racks or multiple workstations; not suited for outdoor use or high-EMI environments.

Use and compatibility

This Prokord cable is designed for indoor network patching, rack connections, and office workstation links. The unshielded construction keeps the cable flexible and cost effective, while the LSZH jacket supports safety requirements in data centres and public buildings. Standard RJ45 plugs ensure broad compatibility with existing Ethernet equipment, and the 10-piece pack reduces procurement and staging effort for site installations.
