Product description

CIRAFON Laptop Backpack Weekend – Carry-On Business Travel Bag (15.6")

Is your company looking for a smart, versatile backpack that meets the demands of modern working life? CIRAFON Laptop Backpack Weekend is a professional and stylish backpack, perfect for commuting and short business trips. With clever storage for your laptop, documents, clothing, and accessories, it's the ideal companion for professionals on the move.

Approved as carry-on luggage on all airlines

The backpack complies with carry-on size regulations for all major airlines. With compact dimensions of 300 × 115 × 465 mm, it fits easily in overhead compartments or under the seat in front of you – ideal for both domestic and international business travel.

Storage for 2–3 days – organized and flexible packing

With an expandable volume of 16.5–25.8 liters, the backpack accommodates clothing for 2–3 days in addition to your work essentials. The spacious main compartment includes a practical mesh divider with zipper to keep your belongings organized throughout your trip. Despite its capacity, the backpack weighs only 1025 grams, making it comfortable to carry even when fully packed.

Smart interior with security pocket and tech compartments

The rear compartment features two separate inner sleeves:

- A padded sleeve for laptops up to 15.6 inches
 - Also fits some slim 16-inch models
- Max dimensions: 280 x 40 x 375 mm

A hidden security pocket on the back, placed close to your body, offers added protection for your passport, wallet, or keys. Additional small compartments keep your phone, charger, and accessories within easy reach.

Professional design with all-day comfort

Made from durable nylon, the CIRAFON Laptop Backpack Weekend includes a padded back panel and adjustable ergonomic shoulder straps for maximum comfort. The sleek all-black monochrome design gives a professional and versatile look – ideal for business meetings, travel, and daily commuting.
