Product description

Cirafon Laptop Datorväska Work-In

Cirafon Laptop Datorväska Work-In is a stylish and practical laptop bag made of durable nylon fabric. The padded interior helps protect the laptop against impacts and scratches during transport.

Work directly from the bag

On the inside there are straps that keep the laptop in place. The Work-In design makes it possible to open the laptop and start working right away without first having to take it out of the bag.

Practical storage for accessories

The spacious outer pocket provides room for, for example, a charger, cables and other accessories. The included shoulder strap makes the bag easy and comfortable to carry.
