

Palmrest Office

Data sheet

Summary

- ✓ Cushioned hand support to help maintain natural wrist alignment during extended computer use.
- ✓ Compact footprint, 460 x 75 x 25 mm, fits neatly along the front edge of a workstation.
- ✓ Lightweight yet sturdy construction for easy placement and reliable daily use.
- ✓ Black finish with a subtle blue logo for a modern, unobtrusive appearance.
- ✓ Consider that it may not suit extremely cluttered workspaces and is not designed for heavy-duty industrial use.

Product description

Why choose this palmrest?

Voxicon Palmrest Office provides ergonomic hand support that reduces fatigue during long typing sessions. The compact, lightweight design fits neatly on most desks and adds stability without changing your setup. Its black surface with a blue logo gives a professional look while supporting more comfortable, focused work.

Voxicon Palmrest Office in short:

- Cushioned hand support to help maintain natural wrist alignment during extended computer use.
- Compact footprint, 460 x 75 x 25 mm, fits neatly along the front edge of a workstation.
- Lightweight yet sturdy construction for easy placement and reliable daily use.
- Black finish with a subtle blue logo for a modern, unobtrusive appearance.
- Consider that it may not suit extremely cluttered workspaces and is not designed for heavy-duty industrial use.

Voxicon Palmrest Office

This palmrest provides a soft, stable surface for your hands to rest on between keystrokes, helping to reduce strain and maintain comfort through the day. The 460 x 75 x 25 mm size keeps it unobtrusive on your desk while providing enough contact area for effective support. Supplied as a single unit, it integrates easily into office and home setups and complements a range of keyboards and work environments.
