

Palmrest Office 10Pack

Data sheet

Summary

- ✓ Pack of 10 palmrests, suitable for outfitting multiple desks or replacement stock.
- ✓ Provides cushioned wrist support to reduce strain during extended typing tasks.
- ✓ Compact dimensions (460 x 75 x 25 mm) to fit most standard keyboards and slim desk setups.
- ✓ Black and blue styling with a subtle central accent that complements common office equipment.
- ✓ Consideration: check keyboard and desk clearance to confirm the 460 mm width fits your setup.

Product description

Why choose this palmrest?

Palmrest Office 10Pack Voxicon gives consistent wrist support across multiple workstations, reducing fatigue during long typing sessions and lowering replacement costs for teams. The low-profile shape and compact footprint fit standard keyboard layouts, making it easy to roll out across offices. The black and blue finish maintains a professional appearance while remaining discrete on shared desks.

Palmrest Office 10Pack in short:

- Pack of 10 palmrests, suitable for outfitting multiple desks or replacement stock.
- Provides cushioned wrist support to reduce strain during extended typing tasks.
- Compact dimensions (460 x 75 x 25 mm) to fit most standard keyboards and slim desk setups.
- Black and blue styling with a subtle central accent that complements common office equipment.
- Consideration: check keyboard and desk clearance to confirm the 460 mm width fits your setup.

Palmrest Office 10Pack Voxicon

These palmrests are designed to offer simple, effective wrist support where teams work. They sit across the front of a keyboard to provide a stable resting surface and help keep typing posture more comfortable over long shifts. The 10-pack format simplifies procurement for IT teams and facilities managers, so you can replace worn units or equip several stations at once without separate orders. The finish is easy to wipe clean, and the low-profile design keeps your desk layout tidy while blending with typical office hardware.
