

Toner Black 8K - HL-L6300 - TN3480

Data sheet

Summary

- ✓ High-yield black toner, up to 8,000 pages, suited for long print runs such as reports and invoices.
- ✓ Designed for use with HL-L6300 series printers for reliable compatibility.
- ✓ Single-pack supply, one cartridge per box, which simplifies inventory and maintenance planning.
- ✓ Provides clear, consistent black text for contracts, manuals and correspondence.
- ✓ Consideration: limited to black printing, not suitable when color output is required.

Product description

Why choose this toner cartridge?

Gilford Toner Black 8K - HI-L6300 - TN3480 delivers consistent black output with a yield of up to 8,000 pages. It reduces the frequency of cartridge changes and helps control running costs in busy print environments. The cartridge produces sharp, readable text for reports and documents, supporting steady workflows and predictable maintenance.

Gilford Toner Black 8K - HI-L6300 - TN3480 in short:

- High-yield black toner, up to 8,000 pages, suited for long print runs such as reports and invoices.
- Designed for use with HL-L6300 series printers for reliable compatibility.
- Single-pack supply, one cartridge per box, which simplifies inventory and maintenance planning.
- Provides clear, consistent black text for contracts, manuals and correspondence.
- Consideration: limited to black printing, not suitable when color output is required.

About this toner cartridge

Gilford Toner Black 8K - HI-L6300 - TN3480 is supplied as a single cartridge in branded packaging, ready to install. The cartridge is built to maintain stable print density through long runs, so you get dependable black prints with fewer interruptions. This makes it practical for departmental printers and locations where steady, high-volume black-and-white printing is a routine requirement.
