GILFORD
LASER TONER CARTRIDGE

Toner Black 1K - Dcp-1510 - TN1050

Data sheet

Summary

- ✓ Compatible replacement for DCP-1510 printers, designed to fit and operate with standard printing cycles.
- ✓ Produces clear, consistent black text for reports, invoices, and classroom materials.
- ✓ Up to 1,000 pages yield reduces the need for frequent cartridge changes in moderate-use environments.
- ✓ Single-pack format and purple and white Gilford packaging make storage and identification simple.
- ✓ Consideration: suited for moderate print volumes, not intended for high-volume production use.

Product description

Why choose this toner cartridge?

Gilford Toner Black 1K - Dcp-1510 - TN1050 delivers reliable black prints with a yield of up to 1,000 pages, so you can keep routine document workflows moving without frequent replacements. Its compatible design for DCP-1510 printers balances consistent text quality with cost control, and the single-pack supply makes ordering and storage straightforward for small offices and home workspaces.

Gilford Toner Black 1K - Dcp-1510 - TN1050 in short:

> - Compatible replacement for DCP-1510 printers, designed to fit and operate with standard printing cycles.
> - Produces clear, consistent black text for reports, invoices, and classroom materials.
