Product description

Why choose this ink cartridge?

Gilford Ink Black Pgi-570Pgbk XI 23.5ml - 0318C001 is a cost-effective compatible ink cartridge that delivers consistent black output for everyday printing. With a 23.5ml volume in a single pack, it helps reduce interruptions during routine jobs and keeps running costs predictable. It is suited to offices and home setups that need reliable text quality.

Ink Black Pgi-570Pgbk XI 23.5ml - 0318C001 in short:

- Compatible black ink cartridge, designed for use with a range of Canon Pixma MG and TS series printers.
- 23.5ml single-pack supply, useful for regular text documents and standard office print tasks.
- Provides clear, consistent black text to support reports, invoices, and everyday printing needs.
- Compatible option that helps control consumable costs while maintaining dependable output.
- Supplied as one cartridge per pack for simple inventory and replacement.

Product details

The cartridge is straightforward to install and replaces original black ink for routine printing workflows. It is formulated to produce crisp text across common document types, which helps maintain professional-looking prints. This compatible option balances performance and price, making it practical for offices, small print services, and home workspaces that require steady, predictable black ink.
