- ✓ Practical for short-run colour prints, photo accents, and colour document inserts.
- ✓ Produces consistent cyan hues for reliable colour reproduction.
- ✓ Compatible with Canon Pixma MG and TS series printers, for example MG5750 and TS5050 series.
- ✓ Compact 11ml capacity, with an expected yield of about 11 pages, suited to low-volume or occasional colour printing.

Product description

Why choose this ink cartridge?

Gilford Ink Cyan Cli-571C XI 11ml - 0332C001 is a dependable compatible cyan ink that delivers consistent colour for everyday printing. It helps you maintain clear, accurate cyan tones while keeping replacements simple and affordable. The single-pack 11ml cartridge fits many Canon Pixma MG and TS series printers, making it practical for routine colour prints and short-run colour tasks.

Ink Cyan Cli-571C XI 11ml - 0332C001 in short:

- Compatible cyan ink from Gilford, supplied as a single pack with one cartridge.
- Practical for short-run colour prints, photo accents, and colour document inserts.
- Produces consistent cyan hues for reliable colour reproduction.
- Compatible with Canon Pixma MG and TS series printers, for example MG5750 and TS5050 series.
- Compact 11ml capacity, with an expected yield of about 11 pages, suited to low-volume or occasional colour printing.

Product details

Ink Cyan Cli-571C XI 11ml - 0332C001 provides an easy, cost-effective way to replenish cyan for routine printing needs. The cartridge ships with a protective carrier for safe handling and straightforward installation, and the packaging reference DC-00571XLC helps you confirm compatibility. With an 11ml fill and an approximate yield of 11 pages, it is well suited to proofs, graphics, and occasional full-colour pages where accurate cyan tones matter without large-volume commitments.
