

Prokord VGA-VGA 0029

Data sheet

Core Specs

Cable length	5 m
Connector 1	VGA, 3.5mm
Connector 2	VGA, 3.5mm
Product colour	Black

Summary

- ✓ 5m length gives flexible placement for displays and equipment
- ✓ Gold plated contacts resist corrosion and ensure steady signal
- ✓ Aluminium foil plus braid shielding lowers interference on long runs
- ✓ Ferrite cores reduce EMI for cleaner video and audio transmission
- ✓ PVC jacket with tinned copper conductors adds durable flexibility

Product description

Why choose this cable?

Prokord HD15 5.0m m-m. 3.5mm provides a simple way to carry analogue VGA video and 3.5 mm audio over a single 5 metre run. It combines robust shielding, gold plated contacts and a flexible PVC jacket to give dependable connections during presentations, meetings, and fixed workstation installations without complicating your setup.

Prokord HD15 5.0m m-m. 3.5mm in short:

- Combined VGA and 3.5 mm stereo audio, male-to-male, for displays, projectors, and audio-equipped monitors.
- 5 metre length for flexible placement of equipment in conference rooms and event spaces.
- Aluminium foil plus braid shielding with ferrite cores to reduce interference in busy AV environments.
- Gold plated contacts and tinned copper conductors for consistent contact and resistance to corrosion.
- Consideration: not designed for outdoor use in extreme weather and may require adapters for non-standard ports.

Product details

The Prokord HD15 5.0m m-m. 3.5mm pairs a straight HD15 VGA plug with a 3.5 mm audio plug at each end to carry analogue video and audio together. The 28AWG conductors and multiple layers of shielding help keep signals clear over the 5 m length, while the ferrite cores reduce high-frequency noise that can affect image or sound. The black PVC jacket offers durability and flexibility during installation, and gold plated connector contacts support stable, low-resistance connections so you can rely on consistent performance in daily IT and AV setups.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	5 m
Connector 1	VGA, 3.5mm
Connector 1 gender	Male
Connector 1 form factor	Straight
Connector 2	VGA, 3.5mm
Connector 2 gender	Male
Connector 2 form factor	Straight
Product colour	Black
Connector contacts plating	Gold plated

HDCP	No
HBR2 support	No
Cable material	Tinned copper
Cable shielding	Aluminium foil + braid
Jacket material	PVC
AWG wire size	28AWG

Weight & dimensions

Cable diameter	8 mm
Weight	547 g
