Product description

Why choose this laptop privacy filter?

Cirafon Privacy Filter 13.3" 16:9 for Laptop – Standard Screen Privacy Protector helps keep on-screen information visible only to the person directly in front of the device. It reduces shoulder-surfing in public places, cuts reflections for clearer viewing, and resists fingerprints and scratches to maintain a professional display over time.

Product details

The Cirafon privacy filter delivers discreet privacy protection without changing how you interact with your device. It fits 13.3 inch 16:9 displays and measures about 294 mm by 165 mm, matching typical laptop screens. The frameless black design sits close to the panel to minimise visual distraction. Installation uses adhesive strips plus slide-mount tabs for a secure fit, and the filter meets CE and REACH compliance standards for peace of mind.
