

Privacy Filter 13.3" 16:10 for Laptop – Standard Screen Privacy Protector 13.3" 16:10

Data sheet

Summary

- ✓ Black frameless privacy filter tailored for 13.3" laptops with a 16:10 aspect ratio, limits side viewing to 60° for better confidentiality.
- ✓ Anti-glare and scratch-resistant surface keeps the display readable and durable in varied lighting conditions.
- ✓ Touchscreen compatible and fingerprint resistant, so touch accuracy is preserved and smudges are reduced.
- ✓ Easy installation using adhesive strips plus a slide mount tab for a stable, low-profile fit in landscape orientation.
- ✓ Dimensions 287.6 mm x 180 mm, CE and REACH certified for regulatory compliance.

Product description

Why choose this laptop privacy filter?

Privacy Filter 13.3" 16:10 for Laptop – Standard Screen Privacy Protector, Cirafon, helps keep on-screen information visible only to you while cutting glare and resisting everyday wear. The frameless, low-profile design preserves touch responsiveness and screen clarity, while the adhesive strip and slide mount tab give a secure fit for 13.3-inch 16:10 laptops. This reduces distraction and helps protect sensitive data in shared spaces.

Privacy Filter 13.3" 16:10 for Laptop – Standard Screen Privacy Protector in short:

- Black frameless privacy filter tailored for 13.3" laptops with a 16:10 aspect ratio, limits side viewing to 60° for better confidentiality.
- Anti-glare and scratch-resistant surface keeps the display readable and durable in varied lighting conditions.
- Touchscreen compatible and fingerprint resistant, so touch accuracy is preserved and smudges are reduced.
- Easy installation using adhesive strips plus a slide mount tab for a stable, low-profile fit in landscape orientation.
- Dimensions 287.6 mm x 180 mm, CE and REACH certified for regulatory compliance.

Product details

The Privacy Filter 13.3" 16:10 for Laptop – Standard Screen Privacy Protector from Cirafon reduces side viewing and softens reflections, so you can work on sensitive content in public or open-plan environments. Its frameless design keeps bezels visible but unobtrusive and preserves the laptop’s original look. Installation uses adhesive strips and a slide mount tab for a secure fit, and the filter is made to tolerate touch input while resisting fingerprints and scratches.
