

Privacy Filter 21.5" 16:9

Data sheet

Summary

- ✓ Limits side viewing to 60 degrees, protecting sensitive information on 16:9 monitors up to 21.5 inches.
- ✓ Anti-glare surface reduces reflections for clearer images in bright offices.
- ✓ Fingerprint- and scratch-resistant finish keeps the screen looking clean during daily use.
- ✓ Frameless black design preserves monitor aesthetics, with dimensions of 476 mm x 268 mm for a 21.5" screen.
- ✓ Consideration: privacy filtering reduces visibility for adjacent viewers, so it is not suited for collaborative screen sharing.

Product description

Why choose this privacy filter?

Cirafon Frameless display privacy filter is a black, landscape privacy screen that narrows the viewing angle to 60 degrees so only the person in front of the monitor can see the content. It reduces glare and resists fingerprints and scratches for clearer viewing in shared or open workspaces. The adhesive strip plus slide mount tab offers a secure fit while remaining removable when needed.

Cirafon Frameless display privacy filter in short:

- Limits side viewing to 60 degrees, protecting sensitive information on 16:9 monitors up to 21.5 inches.
- Anti-glare surface reduces reflections for clearer images in bright offices.
- Fingerprint- and scratch-resistant finish keeps the screen looking clean during daily use.
- Frameless black design preserves monitor aesthetics, with dimensions of 476 mm x 268 mm for a 21.5" screen.
- Consideration: privacy filtering reduces visibility for adjacent viewers, so it is not suited for collaborative screen sharing.

Product details

The Cirafon Frameless display privacy filter combines privacy and usability for individual workstations. It fits 16:9 landscape monitors up to 21.5 inches and mounts using an adhesive strip and slide mount tab for a stable attachment that can be removed when required. The anti-glare coating reduces reflections while the fingerprint- and scratch-resistant surface keeps the filter durable and easy to maintain. The product meets CE and REACH compliance standards, giving assurance on regulatory conformity.
