

Privacy Filter 22" 475x 297.5mm 16:10 22" 16:10

Data sheet

Summary

- ✓ Frameless display privacy filter that keeps the monitor's original look while limiting side viewing to 60 degrees.
- ✓ Fits 22" monitors with a 16:10 aspect ratio, suitable for landscape use on most 22-inch displays.
- ✓ Anti-glare surface and fingerprint resistance improve visibility and reduce maintenance.
- ✓ Installs with adhesive strips and slide mount tabs for a secure, low-profile fit.
- ✓ CE and REACH compliant; note the filter is designed for monitors rather than touch screens.

Product description

Why choose this privacy filter?

Cirafon Privacy Filter 22" 475x 297.5mm 16:10 helps protect on-screen information in shared or public environments while preserving image clarity and reducing reflections. It offers a discreet, reliable way to limit side viewing, resist scratches and fingerprints, and mount securely without changing the monitor's appearance.

Privacy Filter 22" 475x 297.5mm 16:10 in short:

- Frameless display privacy filter that keeps the monitor's original look while limiting side viewing to 60 degrees.
- Fits 22" monitors with a 16:10 aspect ratio, suitable for landscape use on most 22-inch displays.
- Anti-glare surface and fingerprint resistance improve visibility and reduce maintenance.
- Installs with adhesive strips and slide mount tabs for a secure, low-profile fit.
- CE and REACH compliant; note the filter is designed for monitors rather than touch screens.

Main functions

This frameless privacy filter attaches to your monitor using adhesive strips and slide mount tabs, so you can keep the screen aligned and remove the filter when needed. The 60 degree privacy angle helps prevent shoulder surfing in open offices, reception areas, and other shared spaces. The anti-glare surface reduces reflections for easier viewing under bright lighting, and the scratch and fingerprint resistant finish keeps the screen clear with less cleaning. The black, low-profile design maintains the monitor's appearance while adding a practical layer of privacy and protection.

Technical Specification Matrix

Header

Manufacturer	Cirafon
--------------	---------

Design

Suitable for	Monitor
Type	Frameless display privacy filter
Product colour	Black

Features

Display filter features	Anti-glare, Privacy
Aspect ratio	16:10
Protection features	Scratch resistant
Limits viewing angle	60 °
