

## **Privacy Filter 24" 531x 298mm 16:9 24" 16:9**

Data sheet

### **Summary**

- ✓ Keeps on-screen content private by narrowing the viewing angle to 60 degrees.
- ✓ Anti-glare surface improves visibility under bright lighting and reduces reflections.
- ✓ Scratch-resistant and fingerprint-resistant finish for lower maintenance and longer use.
- ✓ Frameless black design fits 24-inch monitors with a 531 x 298 mm viewing area.
- ✓ Note: This filter limits side visibility, so it is not suitable when multiple viewers need to see the screen.

# Product description

## Why choose this display privacy filter?

Privacy Filter 24" 531x 298mm 16:9 Cirafon helps protect sensitive on-screen information in open offices and public areas by limiting side visibility to 60 degrees. The frameless black design fits discreetly on 24-inch monitors and reduces glare while resisting scratches and fingerprints. Installation is quick with adhesive strips and a slide mount tab for a secure, removable fit.

## Privacy Filter 24" 531x 298mm 16:9 in short:

- Keeps on-screen content private by narrowing the viewing angle to 60 degrees.
- Anti-glare surface improves visibility under bright lighting and reduces reflections.
- Scratch-resistant and fingerprint-resistant finish for lower maintenance and longer use.
- Frameless black design fits 24-inch monitors with a 531 x 298 mm viewing area.
- Note: This filter limits side visibility, so it is not suitable when multiple viewers need to see the screen.

## Privacy Filter 24" 531x 298mm 16:9 Cirafon

This frameless privacy filter attaches with adhesive strips and a slide mount tab to sit flush on your 24-inch monitor. It combines privacy and anti-glare performance while keeping the display surface durable and easy to clean. The product is CE and REACH compliant, making it suitable for use in office, reception, and shared workspace environments.
