

Privacy Filter 23" 509 x 286mm 16:9 23" 16:9

Data sheet

Summary

- ✓ Limits side viewing to about 60 degrees, suitable for open offices and public workspaces.
- ✓ Anti-glare surface reduces reflections for improved visibility in bright conditions.
- ✓ Scratch- and fingerprint-resistant finish keeps the screen looking clean and readable.
- ✓ Frameless, black design with adhesive strips and a slide-mount tab for a low-profile fit.
- ✓ Designed for 23" 16:9 landscape monitors; confirm your screen size and flat-screen surface for best fit.

Product description

Why choose this privacy filter?

Cirafon Privacy Filter 23" 509 x 286mm 16:9 helps keep on-screen information visible only to the person directly in front of the display. It narrows side viewing to about 60 degrees to protect confidential content, reduces glare for clearer viewing under bright office lights, and resists scratches and fingerprints for a durable, professional appearance. Adhesive strips and a slide-mount tab make installation straightforward.

Privacy Filter 23" 509 x 286mm 16:9 in short:

- Limits side viewing to about 60 degrees, suitable for open offices and public workspaces.
- Anti-glare surface reduces reflections for improved visibility in bright conditions.
- Scratch- and fingerprint-resistant finish keeps the screen looking clean and readable.
- Frameless, black design with adhesive strips and a slide-mount tab for a low-profile fit.
- Designed for 23" 16:9 landscape monitors; confirm your screen size and flat-screen surface for best fit.

Practical use

Cirafon Privacy Filter 23" 509 x 286mm 16:9 attaches to a 23-inch landscape monitor to protect on-screen data during everyday work, meetings, and travel between shared areas. The anti-glare and privacy filtering features help maintain readability while reducing the risk of shoulder surfing. The product complies with CE and REACH standards and is intended for monitors where a discreet, durable privacy solution is required.
