- ✓ Check that your MacBook is the 13.3-inch 2013–2015 model before purchase to ensure correct fit.

Product description

Why choose this laptop privacy filter?

Cirafon Privacy Filter Macbook (2013 - 2015) helps protect on-screen information in public or shared spaces while reducing reflections and fingerprints. It offers a discreet, frameless look that preserves the MacBook appearance and is easy to mount and remove, so you can balance usability and privacy without extra bulk.

Privacy Filter Macbook (2013 - 2015) in short:

- Fits 13.3-inch MacBook screens with 16:10 aspect ratio, designed for MacBook (2013-2015).
- Frameless privacy filter limits side viewing to 60 degrees, reducing shoulder surfing in public settings.
- Anti-glare surface and scratch resistant finish improve visibility and durability, with fingerprint-resistant coating.
- Touchscreen compatible and installs with a hanger arm plus Command strip for tool-free attachment.
- Check that your MacBook is the 13.3-inch 2013–2015 model before purchase to ensure correct fit.

Privacy Filter Macbook (2013 - 2015)

The Cirafon Privacy Filter Macbook (2013 - 2015) provides focused privacy and reduced glare for everyday mobile work. The frameless, landscape-oriented filter sits close to the display for a minimal look while narrowing the viewing angle to protect sensitive content. Installation is straightforward using the hanger arm and Command strip, and the filter remains compatible with touch-enabled displays. Certified to CE and REACH standards, the black filter is built to be durable and practical for regular use.
