

Universal Cable Sock 85mm X 1000mm Black

Data sheet

Summary

- ✓ Flexible braided sleeve protects and groups power, network, and AV cables across short floor runs.
- ✓ Hook-and-loop opening lets you add or remove cables without disconnecting them.
- ✓ 85mm width accommodates multiple leads without overstuffing.
- ✓ 1 m length is suitable for typical desk-to-floor or floor-box connections.
- ✓ One piece per pack, and longer routes will require multiple socks; designed for floor use, not wall or ceiling routing.

Product description

Why choose this cable sock?

Prokord Universal Cable Sock 85mm X 1000mm Black keeps floor-level cables neatly bundled and out of the way, reducing trip hazards and helping maintain a clean, professional appearance. Its 85mm width holds several power, data, and AV leads, the 1m length suits common desk-to-floor runs, and the black braided finish blends into most carpeted and hard-floor environments.

Prokord Universal Cable Sock 85mm X 1000mm Black in short:

- Flexible braided sleeve protects and groups power, network, and AV cables across short floor runs.
- Hook-and-loop opening lets you add or remove cables without disconnecting them.
- 85mm width accommodates multiple leads without overstuffing.
- 1 m length is suitable for typical desk-to-floor or floor-box connections.
- One piece per pack, and longer routes will require multiple socks; designed for floor use, not wall or ceiling routing.

Product details

The Prokord Universal Cable Sock 85mm X 1000mm Black is a simple, durable solution for tidying cables on the floor. Its braided construction resists scuffs while remaining flexible for routing around furniture and under desks. The hook-and-loop closure makes installation and changes fast, so you can reconfigure workspaces with minimal downtime. One sock per pack makes it easy to standardize small installations or buy more for larger runs.
