- ✓ Padded contact points and an integrated strap help protect the device and prevent slipping.
- ✓ Black finish matches common AV equipment for a discreet installation.
- ✓ Intended for indoor use only, and not suitable for vertical mounting.

Product description

Why choose this TV clip holder?

Prokord TV Clip Holder For Media Box provides a secure, space-saving way to mount your Apple TV or similar digital media player horizontally. It uses a clip mount and compact folding arm to free shelf space, reduce cable clutter, and keep the device accessible during everyday use.

Prokord TV Clip Holder For Media Box in short:

- Secure clip mount for horizontal fixing of Apple TV and comparable media players.
- Foldable bracket that keeps the media box off surfaces and saves space.
- Padded contact points and an integrated strap help protect the device and prevent slipping.
- Black finish matches common AV equipment for a discreet installation.
- Intended for indoor use only, and not suitable for vertical mounting.

How it helps in everyday setups

Prokord TV Clip Holder For Media Box attaches with a clip mount to place your media player neatly out of the way while keeping ports and controls reachable. The folding design adapts to compact installations and makes cable routing simpler. This holder is suited to home entertainment areas, meeting rooms, or small AV installations where a tidy, stable mounting solution is needed.
