

Prokord UTP-0165

Data sheet

Core Specs

Connector 1	RJ-45
Connector 2	RJ-45
Cable standard	Cat 6
Cable shielding	U/UTP (UTP)
Cable length	10 m
Jacket material	LSZH

Summary

- ✓ Flat profile hides neatly under carpets and along skirting boards
- ✓ LSZH jacket reduces smoke and toxic gases, suitable for public areas
- ✓ Cat 6 performance up to 10 Gbit/s and 250 MHz for fast networks
- ✓ PoE support powers access points and cameras, simplifies installations
- ✓ Male RJ45 plugs with copper conductors for reliable plug and play

Product description

Why choose this ethernet cable?

Prokord UTP CAT.6 Unshielded RJ45 Lszh 10m White Flat. This flat Cat 6 cable gives reliable high-speed connectivity while staying easy to route in tight spaces. The LSZH jacket reduces smoke and toxic gases in case of fire, making it suitable for offices and public buildings. Built-in PoE support keeps installations simple when powering devices like access points and cameras.

UTP CAT.6 Unshielded RJ45 Lszh 10m White Flat in short:

- Flat, 10 m Cat 6 cable for neat routing along skirting boards, under carpets, or behind furniture.
- Male RJ-45 to male RJ-45 connectors for plug-and-play connection to switches, routers, and network devices.
- LSZH jacket and copper conductors for safer installations in enclosed or public spaces.
- Supports up to 10000 Mbit/s and 250 MHz, suitable for high-speed Ethernet and PoE devices.
- Consideration: the flat profile may not suit conduit runs designed for round cables.

Product details

This cable is a straightforward patch lead for connecting endpoints to switches and patch panels. The unshielded twisted pair construction with copper conductors provides stable signal quality for demanding network traffic. The low-smoke zero-halogen jacket reduces harmful emissions if a fire occurs, meeting safety needs for offices and public spaces. Its flat profile and white colour make the cable easy to hide and keep tidy in AV and office setups, while plug-and-play RJ-45 connectors support PoE and high-speed Ethernet.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	10 m
Cable standard	Cat 6
Cable shielding	U/UTP (UTP)
Connector 1	RJ-45
Connector 1 gender	Male
Connector 2	RJ-45
Connector 2 gender	Male
Product colour	White
Jacket material	LSZH

Cable shape	Flat
Conductor material	Copper
Data transfer rate	10000 Mbit/s
AWG wire size	30
Frequency	250 MHz
Power over Ethernet (PoE)	Yes

Packaging data

Quantity per pack	1 pc(s)
-------------------	---------

Logistics data

Harmonized System (HS) code	84733080
