

Prokord DPC-05B

Data sheet

Core Specs

Cable length	0.5 m
Connector 1	CEE7/16
Connector 2	C7
Product colour	Black

Summary

- ✓ 0.5m length reduces cable clutter near workstations
- ✓ Straight CEE7/16 to C7 connectors fit many small AV and IT devices
- ✓ Black finish blends into office setups and masks everyday wear
- ✓ Molded ends provide a secure, low profile connection
- ✓ Short reach, well suited for powering devices close to outlets

Product description

Why choose this power cable?

Prokord Cable Power 2-Pin - Straight 0.5m Black gives a compact, reliable mains connection for equipment with a C7 inlet. Its short length reduces cable clutter and keeps workstations neat. The straight, molded connectors provide a secure fit, while the black finish blends into most office and AV environments.

Cable Power 2-Pin - Straight 0.5m Black in short:

- 0.5 m length, ideal for close-proximity devices and tidy installations.
- CEE7/16 (male) to C7 (female) connection, fits common figure-8 inlet equipment.
- Straight connector form factor on both ends for easy routing and secure contact.
- Black colour for discreet placement in office and AV setups.
- Consideration: the short cable is not suitable when longer reach is required, check distances before purchase.

Prokord Cable Power 2-Pin - Straight 0.5m Black

This power cable connects mains power via a CEE7/16 plug to devices with a C7 inlet. Use it as a replacement lead or a spare for small electronics, chargers, audio equipment, and compact workstations where a short, direct connection is preferable. The straightforward design makes installation fast and reduces excess cabling.
