

# Prokord DPC-E05B

Data sheet

## Core Specs

|                |                |
|----------------|----------------|
| Cable length   | <b>0.5 m</b>   |
| Connector 1    | <b>CEE7/16</b> |
| Connector 2    | <b>CEE7/16</b> |
| Product colour | <b>Black</b>   |

## Summary

- ✓ 0.5m length reduces cable clutter and suits confined spaces
- ✓ Straight male and female CEE7/16 connectors ensure secure fit
- ✓ Durable black jacket blends into office racks and workstations
- ✓ Short extension makes routing behind equipment quick and neat
- ✓ Well suited for indoor office and IT power management

# Product description

## Why choose this power cable?

Prokord Power Cable 0.5m Extension Type C - Black gives a short, reliable power extension when space is limited. It helps reduce cable clutter and prevents strain on existing connections. The straight male and female CEE7/16 connectors provide a secure fit for standard Europlug sockets, and the compact 0.5 m length makes it easy to route in racks and tight installations.

## Prokord Power Cable 0.5m Extension Type C - Black in short:

- 0.5 m length, ideal for short extensions and neat cable routing in confined spaces.
- Straight male and straight female CEE7/16 connectors for secure, compatible connections.
- Black finish blends into office and rack environments.
- Suited for IT racks, office workstations, and audiovisual setups where a short extension is needed.
- Consideration: intended for indoor use and not for harsh outdoor conditions.

## Product details

This Prokord power cable extends an existing power lead without adding excess length, making it practical for crowded cabinets and desktop setups. The straight CEE7/16 male and female connectors match standard Europlug sockets and are easy to connect and disconnect. The black cable is unobtrusive and flexible enough for tidy routing. Use it as a short, reliable extension to improve accessibility and reduce strain on original plugs.
