

Privacy Filter 27" 16:9" 598*335mm27" 16:9

Data sheet

Summary

- ✓ Framed privacy filter that narrows viewing angles to keep on-screen data private.
- ✓ Designed for 27-inch widescreen monitors, compatible with 16:9 displays sized 598 x 335 mm.
- ✓ Installs with adhesive strips and a slide mount tab for secure attachment and easy removal.
- ✓ Scratch-resistant, easy-to-clean surface to maintain display appearance.
- ✓ Check your screen's visible area measurements before purchase to ensure an exact fit.

Product description

Why choose this framed display privacy filter?

Cirafon Privacy Filter 27" 16:9" 598*335mm helps protect sensitive on-screen information in shared or public environments. It limits side viewing to reduce shoulder surfing, adds a scratch-resistant layer for everyday protection, and is simple to mount and clean for reliable, low-effort use.

Privacy Filter 27" 16:9" 598*335mm in short:

- Framed privacy filter that narrows viewing angles to keep on-screen data private.
- Designed for 27-inch widescreen monitors, compatible with 16:9 displays sized 598 x 335 mm.
- Installs with adhesive strips and a slide mount tab for secure attachment and easy removal.
- Scratch-resistant, easy-to-clean surface to maintain display appearance.
- Check your screen's visible area measurements before purchase to ensure an exact fit.

Product details

The framed design sits over the monitor bezel for stable positioning and a neat look on black screens. The filter preserves clarity for the person directly in front of the display while limiting visibility from the sides. Installation is straightforward, using adhesive strips for fixed placement or the slide mount tab for quick removal. The product meets CE and REACH compliance standards for peace of mind.
