- ✓ Compatible with a range of Canon PIXMA iP, iX, MG and MX series printers commonly used in offices and schools.
- ✓ Single-pack format makes it easy to align purchases with your planned inventory and maintenance schedules.

Product description

Why choose this ink cartridge?

Gilford Ink Black Cli-526BK - Mg5150 - 4540B001 delivers consistent black text and reliable daily performance in a single-pack format. It helps control printing costs compared with OEM options, while providing clear, fade-resistant documents. The cartridge is easy to install and suited to routine office and educational printing where predictable output and simple supply handling matter.

Gilford Ink Black Cli-526BK - Mg5150 - 4540B001 in short:

- Compatible black ink cartridge for everyday document printing, designed for sharp, legible text.
- Up to 500-page yield, appropriate for regular weekly printing without frequent replacements.
- Supplied as a single pack containing one cartridge, simplifying procurement.
- Compatible with a range of Canon PIXMA iP, iX, MG and MX series printers commonly used in offices and schools.
- Single-pack format makes it easy to align purchases with your planned inventory and maintenance schedules.

Product details

Gilford Ink Black Cli-526BK - Mg5150 - 4540B001 is a compatible black ink cartridge made for reliable text printing such as reports, invoices and course materials. The estimated 500-page yield supports routine office and education workflows. The cartridge installs like an OEM unit and is supplied as a single piece, making it straightforward to add to existing printer maintenance routines.
