Product description

Why choose this toner cartridge?

Gilford Toner Cyan 731 1,5K - Lpb-7100Cn - 6271B002 delivers consistent cyan output while helping to reduce your per-page cost. It produces up to 1500 pages, so you can handle routine prints and color proofs with fewer interruptions. The cartridge is straightforward to replace, keeping printer downtime to a minimum.

Gilford Toner Cyan 731 1,5K - Lpb-7100Cn - 6271B002 in short:

- Compatible replacement for printers that use the LPB-7100Cn cartridge.
- Estimated yield of up to 1500 cyan pages, suitable for routine office prints and color proofs.
- Single pack with one cartridge for predictable inventory planning.
- Arrives in blue and white branded packaging and fitted with a yellow protective cover to prevent handling damage.
- May not be suitable for printers that require original manufacturer cartridges.

Product details

This compatible Gilford cyan toner is designed to fit and operate like the original cartridge and produce clear cyan tones for standard documents and colour checks. It ships in blue and white branded packaging with a removable yellow protective cover to protect the drum during handling. The single-pack format keeps replacements simple and helps you manage stock to minimise interruptions to daily printing.
