Product description

Why choose this ink cartridge?

Gilford Ink Matte Black Pfi-107Mbk - 6704B001 delivers reliable, pigment-based black prints in a single-pack format, giving you clear, smudge-resistant text and crisp line work. It helps reduce reprints and keeps document output consistent, so you can manage print tasks with predictable quality and straightforward inventory control.

Gilford Ink Matte Black Pfi-107Mbk - 6704B001 in short:

- Compatible pigment-based black cartridge designed for consistent, sharp black output
- Produces durable, smudge-resistant text suitable for documents and technical prints
- Supplied as a single 1pc pack for easy stock management
- Simple to install and replace during routine maintenance
- Cost-effective compatible option from Gilford for everyday printing needs

Product details

This Gilford cartridge provides matte black printing that holds up to handling and archival use better than many dye-based alternatives. The pigment formulation ensures legible, long-lasting results on standard office media. Supplied as a single cartridge, it fits into regular maintenance cycles and supports steady operation in busy print environments.
