Product description

Why choose this toner cartridge?

Gilford Toner Black 731H 2,4K - Lpb-7100Cn - 6273B002 delivers a reliable, cost-aware solution for high-volume black printing. It provides a long page yield of 2400 pages and consistent, sharp black output, helping you keep print quality steady while reducing replacement frequency and simplifying supply management.

Gilford Toner Black 731H 2,4K - Lpb-7100Cn - 6273B002 in short:

- Compatible black toner designed for Lpb-7100Cn series printers.
- High page yield of 2400 pages, suited to frequent document printing.
- Single pack supply, 1 piece per pack for straightforward restocking.
- Produces consistent, sharp black text and mono documents.
- Check printer compatibility before purchase to ensure correct fit.

Product details

This compatible toner cartridge replaces factory originals to provide dependable monochrome printing for offices and administrative teams. The cartridge is supplied in Gilford-branded packaging and includes a protective transport cover to reduce handling issues. Installation is straightforward, and the extended yield helps lower service interruptions during busy printing periods. This cartridge offers a practical balance between print quality and cost control for routine black document workflows.
