Product description

Why choose this ink cartridge?

Gilford Ink Magenta No.72 - T1100 130ml - C9372A delivers consistent magenta tones that keep charts, proofs, and marketing prints uniform across runs. Its compatible formulation reduces running costs while the single-pack supply makes stocking and replacement straightforward. You get predictable colour output for routine office, retail, and small print service tasks with minimal downtime.

Gilford Ink Magenta No.72 - T1100 130ml - C9372A in short:

- Compatible magenta ink for clear graphics, marketing materials, and internal documents.
- 130 ml capacity with an estimated 130-page yield for routine print jobs.
- Supplied as a single pack, one cartridge per box for simple stocking and replacement.
- Suited to small offices, educational settings, retail displays, and freelance print services.
- Check that your printer supports compatible inks before purchase.

Product details

This cartridge is designed for fast, straightforward replacement so you can resume printing quickly. The 130 ml volume balances capacity and change frequency to maintain steady output without frequent intervention. Using a compatible Gilford ink helps manage operating costs while delivering uniform magenta for everyday prints. The packaging and cartridge shape support easy handling and secure installation.
