Product description

Why choose this ink cartridge?

Gilford Ink Yellow No.72 - T1100 130ml - C9373A provides cost-effective, reliable yellow prints for everyday colour tasks. It delivers consistent output to reduce cartridge changes and helps you keep running costs under control while maintaining clear, vibrant highlights and graphics.

Gilford Ink Yellow No.72 - T1100 130ml - C9373A in short:

- Compatible yellow ink cartridge suited for routine colour printing and highlighting.
- 130ml capacity with an estimated yield of around 130 pages, useful for moderate print volumes.
- Transparent cartridge housing lets you monitor ink levels at a glance.
- Easy installation with a pull-out rubber plug to simplify cartridge replacement.
- Supplied as a single pack, one piece per box; check printer compatibility before purchase.

Product details

This compatible ink cartridge is designed for everyday colour work in small offices, local print shops, and educational settings. The 130ml fill and clear housing make it easy to plan replacements, while the single-pack supply simplifies stocking and inventory. The cartridge installs quickly so you can return to printing with minimal downtime.
