Toner Magenta 312A 2,7K - M476 - Cf383A in short:

- Compatible magenta toner designed for the CF383A/312A cartridge format, for printers using the M476 series.
- Estimated yield of 2700 pages, suitable for medium-volume colour printing.
- Supplied as a single pack, one cartridge per box for easy stocking and replacement.
- Manufactured by Gilford as a compatible alternative to OEM cartridges, offering predictable colour performance.
- Check your printer firmware and warranty guidance if restrictions on compatible supplies are a concern before purchase.

Main functions

Toner Magenta 312A 2,7K - M476 - Cf383A provides magenta toner for colour documents and graphics, fitting printers that accept the CF383A/312A format. The single-pack supply makes replacements straightforward, and the higher page yield reduces downtime from cartridge changes. Keep the cartridge in its original packaging until installation, and follow your organisation’s toner disposal or recycling procedures.
