Product description

Voxicon Adjustable Monitor Stand 27–32" | VESA 100x100 | Max 6 kg

Flexible and stable stand for 27–32" monitors The Voxicon Adjustable Monitor Stand is a reliable solution for businesses that need to mount and adjust monitors between 27 and 32 inches. Supporting the VESA 100x100 standard and a maximum weight of 6 kg, it is compatible with most modern office monitors. The construction ensures stability even with frequent adjustments, making it ideal for work environments where ergonomics and flexibility matter.

Ergonomic design for efficient work The stand makes it easy to adjust the height and angle of your monitor for a comfortable working position. Its sturdy base ensures secure placement on the desk, while the sleek design blends seamlessly into both open-plan offices and home workspaces. Combining functionality, durability, and simple installation, the Voxicon Adjustable Monitor Stand is a practical accessory that supports a more ergonomic and productive workspace.
