Product description

Why choose this sleeve case?

Business Nylon Sleeve Work-In by Cirafon offers a practical way to protect and carry small tablets and devices. It combines durable nylon construction with a slim profile and removable shoulder strap, so you can move between meetings or commute without extra bulk. The zip closure and external pockets keep charger, phone, and cables organised and easy to reach.

Business Nylon Sleeve Work-In in short:

- Slim, padded sleeve that fits tablets and devices up to 10.2 inches.
- Durable nylon exterior with zip closure for secure everyday protection.
- Front zip pocket and two slip pockets for charger, phone, and cables, highlighted by a red trim for quick access.
- Removable shoulder strap for hands-free transport or easy storage in larger bags.
- Note: internal compartment dimensions are 295 x 17 x 220 mm, check device size before purchase.

Practical features

The sleeve uses a compact 20 mm profile to stay unobtrusive in briefcases or backpacks while still offering protection. The main compartment fits devices within the stated internal dimensions and closes with a smooth zipper to keep the device secure. External pockets let you separate accessories from the device, and the removable shoulder strap gives flexible carry options for short trips or daily commutes.
