Product description

Why choose this phone case?

Zero Gel Drop Safe Cirafon provides clear, flexible protection that absorbs shocks and reduces damage from drops up to 1 meter. The slim gel cover preserves the phone's original look while keeping buttons, ports, and the camera accessible. It helps limit repair costs and stays unobtrusive in daily use.

Zero Gel Drop Safe in short:

- Flexible thermoplastic polyurethane (TPU) gel absorbs impacts while keeping a slim profile.
- Clear finish preserves the original design and colour of the phone.
- Provides drop protection up to 1 meter with precise cutouts for buttons, ports, and the camera.
- Compatible with iPhone 6, iPhone 6s, iPhone 7, iPhone 8, iPhone SE (2020), and iPhone SE (2022).

Product details

Zero Gel Drop Safe is a simple cover that snaps on for quick installation and secure fit. Its flexible TPU construction cushions everyday knocks and helps maintain grip without adding noticeable bulk. Raised edges give light protection to the screen and camera while keeping full access to speakers, ports, and the home button.
