Product description

Why choose this cover?

Spectrum Drop Safe Cirafon provides reliable impact protection and clear styling for iPhone 6, iPhone 6s, iPhone 7, iPhone 8, iPhone SE (2020), and iPhone SE (2022). Its thermoplastic polyurethane construction cushions drops up to 2 meters while keeping the phone slim and pocket-friendly. The design helps reduce repair costs and keeps ports and buttons fully accessible.

Spectrum Drop Safe in short:

- Clear TPU cover that preserves the phone’s original look.
- Drop protection rated up to 2 meters, reducing impact damage.
- Raised edges help protect the screen and camera from direct contact.
- Flexible material maintains button responsiveness and easy installation.
- Compatible with iPhone 6, iPhone 6s, iPhone 7, iPhone 8, iPhone SE (2020), and iPhone SE (2022).

Product details

Spectrum Drop Safe Cirafon is a transparent cover made from thermoplastic polyurethane, engineered to absorb shocks and resist everyday scratches. The slim profile keeps the phone’s handling natural while the precise cutouts provide uninterrupted access to the charging port, speakers, and camera. The flexible material makes the cover easy to fit and remove, and the slightly raised bezel adds an extra layer of protection for flat surfaces.
