

Standard L40WLBRF Wireless Mouse Black

Data sheet

Summary

- ✓ RF wireless with mini USB receiver, stable range up to 10 m for flexible workstation placement.
- ✓ Silent click buttons and a single scroll wheel, suited to shared or open-plan offices.
- ✓ Ambidextrous, lightweight shape that fits left- and right-handed users and reduces fatigue during long sessions.
- ✓ 1000 dpi optical tracking, 4 ms response and 30 ips tracking speed, tuned for document work and general productivity.
- ✓ Consideration: powered by one AA alkaline battery for up to six months, which keeps maintenance simple but uses replaceable cells.

Product description

Why choose this mouse?

Voxicon Standard L40WLB is a compact wireless mouse that brings quiet operation and reliable 2.4 GHz RF connectivity to everyday office tasks. It delivers consistent 1000 dpi optical tracking on most surfaces, simple plug-and-play setup, and up to six months of battery life, helping you stay productive with minimal interruptions and easy device switching.

Standard L40WLB in short:

- RF wireless with mini USB receiver, stable range up to 10 m for flexible workstation placement.
- Silent click buttons and a single scroll wheel, suited to shared or open-plan offices.
- Ambidextrous, lightweight shape that fits left- and right-handed users and reduces fatigue during long sessions.
- 1000 dpi optical tracking, 4 ms response and 30 ips tracking speed, tuned for document work and general productivity.
- Consideration: powered by one AA alkaline battery for up to six months, which keeps maintenance simple but uses replaceable cells.

Design and comfort

The Standard L40WLB pairs an ambidextrous form factor with a low-profile, lightweight build to support extended use throughout the workday. The layout includes primary buttons, a centered scroll wheel and side controls, letting you navigate documents and spreadsheets without hand strain. Its compact footprint is easy to carry between desks or pack with a laptop.

Performance and connectivity

The mouse uses an optical sensor at 1000 dpi and tracks reliably on most desk surfaces. A 2.4 GHz RF link and a compact mini receiver ensure a quick, plug-and-play connection to your PC. Multi-device support makes it straightforward to switch between systems, and the 250 Hz polling rate with a 4 ms response time keeps pointer movement smooth for typical office workflows.

Power and setup

Setup is simple: plug the included USB Type-A mini receiver into your computer and start working. The mouse runs on a single AA alkaline battery, included in the package, and delivers long runtime to reduce battery changes. Plug-and-play compatibility and a small receiver make deployment and IT support uncomplicated.

Technical Specification Matrix

Header

Manufacturer	Voxicon
--------------	---------

Mouse

Purpose	Office
Device interface	RF Wireless
Movement detection technology	Optical
Scroll type	Wheel
Buttons quantity	5
Movement resolution	1000 dpi
Buttons type	Pressed buttons
Mouse tracking speed	30 ips
Number of scroll wheels	1
Acceleration (max)	10 g
Response time	4 ms
Frequency band	2.408 ~ 2.474 GHz
Multi-device support	Yes
Silent click	Yes
Scrolling directions	Vertical
Polling rate	250 Hz

Design

Form factor	Ambidextrous
Ergonomic design	No
Product colour	Black
Vertical design	No
Material	ABS
Surface coloration	MoNochromatic

Power

Power source	Batteries
Battery type	AA
Number of batteries supported	1
Service life of battery	6 month(s)
Battery technology	Alkaline

Ergonomics

Works on any surface	YES
Wireless range	10 m

Plug and Play	YES
