- ✓ USB-A to Micro USB-B connection supports charging and data sync
- ✓ Durable woven braid resists tangles and stands up to daily use
- ✓ Straight male plugs fit most ports for easy, reliable connections
- ✓ Available in black or white, supplied as one cable per pack

Product description

Why choose this cable?

Cirafon Sync/Charge Cable Micro USB 2m - Svart/Vit gives you a reliable way to charge and sync devices with a micro USB port. The two metre length adds placement flexibility, while the visible braided jacket and reinforced ends increase durability for everyday use in offices, service desks, and field work.

Sync/Charge Cable Micro USB 2m - Svart/Vit in short:

- Durable braided black and white jacket with visible reinforcement for regular daily use.
- 2 m length provides flexible placement between devices and power sources.
- USB-A to micro USB-B, suitable for charging and data sync of devices with a micro USB port.
- Straight male connectors on both ends for standard USB-A and micro USB connections.
- Sold as a single cable, check device port compatibility before purchase since this is not a USB-C cable.

Product details

The Cirafon Sync/Charge Cable Micro USB 2m - Svart/Vit connects devices with a micro USB-B port to a standard USB-A host for charging and data transfer. The braided outer jacket and reinforced connector boots help resist wear in high-use environments. Connector housings appear metal finished for a secure feel and stable plug fit. The cable is supplied as one piece per pack, and it follows standard USB-A to micro USB wiring, so it works with accessories and older mobile devices that use a micro USB interface.
