

Sync/Charge Cable USB-C 0.15m - Thin Black0.2m USB-A USB-C

Data sheet

Summary

- ✓ Short 0.15 m length, ideal for close-proximity charging from power banks, chargers, or PC USB ports.
- ✓ USB-A to USB-C male connectors for direct connection to legacy USB-A ports.
- ✓ Supports USB 2.0 data transfer up to 480 Mbit/s for syncing contacts, photos, and files.
- ✓ Delivers charging up to 15 W (5 V, 3 A) for smartphones and small devices.
- ✓ Thin TPE jacket and nickel-plated contacts for flexibility and corrosion resistance; consider the short length if you need reach.

Product description

Why choose this cable?

Sync/Charge Cable USB-C 0.15m - Thin Black, IT Accessories. This compact USB-A to USB-C cable keeps charging and syncing simple when space is limited. It reduces cable clutter, works well with power banks and desktop chargers, and offers reliable daily performance with a thin, flexible jacket and robust connector plating.

Sync/Charge Cable USB-C 0.15m - Thin Black in short:

- Short 0.15 m length, ideal for close-proximity charging from power banks, chargers, or PC USB ports.
- USB-A to USB-C male connectors for direct connection to legacy USB-A ports.
- Supports USB 2.0 data transfer up to 480 Mbit/s for syncing contacts, photos, and files.
- Delivers charging up to 15 W (5 V, 3 A) for smartphones and small devices.
- Thin TPE jacket and nickel-plated contacts for flexibility and corrosion resistance; consider the short length if you need reach.

Product details

This Sync/Charge Cable USB-C 0.15m - Thin Black is built for straightforward charging and data transfer between a USB-A host and USB-C devices. The cable supports USB 2.0 speeds for reliable file sync and up to 15 W charging, making it suitable for everyday smartphone and accessory use. The thin TPE jacket keeps the cable flexible and easy to route, while nickel-plated connector contacts help maintain consistent connections over time. Straight male connectors on both ends ensure compatibility with standard USB-A ports and USB-C device ports.

Technical Specification Matrix

Features

Max data transfer rate	480 Mbit/s
Cable length	0.2 m
USB version	USB 2.0
Connector 1	USB-A
Connector 1 gender	Male
Connector 1 form factor	Straight
Connector 2	USB-C
Connector 2 gender	Male
Connector 2 form factor	Straight
USB Power Delivery up to	15 W
Product colour	white
Cable jacket material	TPE

Connector contacts plating	Nickel plating
Reversible connectors	No

Power

Input voltage	5 V
Input current (max)	3 A
