- ✓ Suited for presentations, video playback, and extending or mirroring displays.
- ✓ Note: Your source device must support DisplayPort Alt Mode over USB-C to use this adapter.

# Product description

## Why choose this DisplayPort adapter?

Prokord Displayport Adapter 4K@60Hz Premium Metal converts a USB-C output to DisplayPort for reliable 4K video at 60Hz. It gives you a stable connection for meetings, presentations, and high-resolution displays. The compact metal housing is durable and fits easily in a laptop bag, helping you connect quickly without adding desk clutter.

## Displayport Adapter 4K@60Hz Premium Metal in short:

- USB-C (male) to DisplayPort (female) adapter for connecting USB-C laptops and tablets to DisplayPort monitors and projectors.
- Supports up to 3840 x 2160 pixels at 60Hz for smooth video and detailed images.
- Premium metal housing with a compact cable, finished in black and silver for a professional look.
- Suited for presentations, video playback, and extending or mirroring displays.
- Note: Your source device must support DisplayPort Alt Mode over USB-C to use this adapter.

## Displayport Adapter 4K@60Hz Premium Metal

This adapter provides a simple way to use DisplayPort displays with modern USB-C devices that support video output. It delivers the resolution and refresh rate needed for crisp editing, clear presentations, and fluid playback. The single-piece pack contains one adapter, making it easy to carry as a spare or to include with laptop accessories.
